WORLD NEWS IN REVIEW

ANOTHER MUNICH

Prime Minister Neville Chamberlain is now in Rome conferring with Premier Benito Mussolini on the latter's Mediterranean demands. Theoretically the conference will result in the advancement of European peace but practical observers have been predicting war by spring unless drastic "appeasement" is made.

REARMAMENT

With even the Communist party chiming in in favor of "preparedness as against pacifism" little opposition was seen for the President's rearmament program.

Last week Roosevelt again declared that only an Einstein could yet figure anything definite from his Rearmament plans but at a White House press conference he gave out a mimeographed announcement by the new Civil Aeronautics Authority: "President Roosevelt today approved a program presented (by CAA) for the annual training of approximately 20,000 pilots in the colleges and universities of the U. S., and authorized the allocation of $100,000 in National Youth Administration funds for the initial phase. . . "

MOONEY

Tom Mooney is a free man! All labor groups were justifiably jubilant as Governor Olson handed the pardon to the man who more than any other has symbolized oppression of the working class.

Every group in California h a s cause to applaud the release of Mooney, whether they are union men or wealthy business leaders, for at last a wrong which blackened the name of California the world around has been righted.

Planning Commission Set Date For Hearing

Planning Commission Engineer Ronald Campbell has formally announced January 20 as the date for public hearing on the county's master highway plan, result of two years of study by the commission.

Campbell said the purpose of the plan is to delineate the roads designated as main highways in the county. It is the first step, he announced, for a pattern of future highway development to establish precise widths of proposed highways and model cross sections.

The work was undertaken at request of the state highway division, he said, to permit protection of contemplated future rights of way.

CASSELL CITES NEED FOR NINE MORE OFFICERS

Exposition Traffic Will Increase Problems

Addition of eight officers and a sergeant to the San Mateo county unit of the state highway patrol in order to "cope with the Peninsula traffic problem," particularly during the exposition year, was recommended Tuesday by Captain E. F. Cassell in his annual equipment-personnel request to Chief E. Raymond Cato.

Captain Cassell said assignment of nine new men to permanent duty in this county would enable him to:

1. Put four men on duty on Bayshore highway in the daytime. Not more than two or three officers patrol the Bayshore during the week day daylight hours now.

2. Put three men on week day daytime duty on El Camino Real. Only one officer is available for daytime duty on this highway now.

3. Extend coverage to the Skyline and Alemany boulevards and the Ocean Shore boulevard to Salada Beach.

The Skyline is only patrolled on week ends at present. Cassell would like it patrolled daily. There is only a partial patrol of the Alemany and coast boulevards on week ends at this time, because of a dearth of officers.

Night Patrol

The patrol is "on call" for night duty on El Camino Real. With extra men, he would maintain one car on El Camino Real at night, at all times. The Bayshore is now patrolled by two cars at night.

The captain is also asking for another patrol car in his request.

Addition of nine men would bring the squad up to 26. The squad now consists of fifteen patrolmen, a sergeant and the captain. Two clerks constitute the office staff. Equipment consists of five cars and fourteen motorcycles.

Cassell was to take delivery Tuesday of three new radio-equipped motorcycles. Only one of the cycles in service is radio equipped.

Daly City Councilmen Authorize Recreation Program To Continue

Daly City recreation program will be continued here for another year according to a contract authorized Monday evening by the board of councilmen.

"The WPA recreation project here has been a genuine success," declared Mayor Selmi. "We shall attempt to make it a permanent institution in this community."

Councilmen passed an ordinance regarding the organization of the Daly City Fire department. The document provides that there shall not be more than 72 members in the department (exclusive of city employees and officials) sets up a scale of pay, and requires that new applicants must be between the ages of 21 and 35.

Sent to the State Board of Equalization was a resolution calling the board's attention to a petition signed by 30 Daly City business men protesting the opening of a beer tavern at 6282 Mission street.

Fire masks were purchased for fire companies No. 5 and No. 6. Company No. 1 is already equipped with smoke masks.

FRANCHISE

The matter of considering proposals from the Pacific Gas and Electric Company to secure franchises to serve Daly City with gas and electricity was laid over till February upon recommendation of Attorney Rudolph Rapsey. All councilmen expressed an unanimous opinion that they would not favor the franchise until such time as full details regarding obligations of such a move were available and they were assured the city would receive adequate remuneration for granting such permits.

On January 30 the council will meet in special session wiht officials of the county health department to outline plans for installing a sewer system to serve the eastern side of Junipero Serra boulevard immediately north of School street.

Arthur Bodien reported that mischievous boys had been breaking fire-alarm box glasses and recommended that the council post a $10 reward for arrest and conviction of offenders. The council approved and posted the reward.

Appoint Farrell Adjutant General

General Patrick J. H. Farrell has been named adjutant general by Governor Olson. General Farrell was appointed Captain in the California National Guard during the Spanish-American War, 40 years ago, by the only other Democratic governor of California, James A. Budd.

General Farrell was in charge of Veteran activities during the primary and general elections in behalf of Governor Olson, and was responsible for much of the veteran support given the Democratic ticket.

The appointment has been heralded throughout Veterans' circles as an outstanding selection.

Former County Mgr. Gets Appointment

E. A. Rolison, former San Mateo county manager, was recently appointed to an administrative post in the state government.

Leaving his executiveship actually on December 31 since January 2 was a legal holiday, Rolison went immediately to Sacramento to begin his new duties.

In his new job Rolison will become as near an administrator for the Central Valleys Project as there will be, it is believed. It was at first planned to have a federal administrator, but this was changed and the job Rolison secured was created. Since it pays as much as he received in San Mateo county—$6000 annually—has an indefinite term and far more responsibility, and is appointive, it is considered a distinct advancement over the executiveship which he unwillingly relinquished at the recent election.

Rolison was appointed by Public Works Director Frank W. Clark, but it is understood that Governor Olson, California's first Democratic governor in 44 years, directly recommended Rolison, despite the fact the Redwood City man is a member of the Republican party.

Rolison had excellent qualifications for the work, having long been a student of public ownership.

OFFER NEEDLECRAFT INSTRUCTION HERE

In cooperation with a county-wide series of courses for recreational leaders and other adults, the Daly City Recreation office, WPA division, is offering general needle work courses every Monday morning, 9 a. m. to 1 p. m. at 101 Park avenue. Mrs. Lela Campbell and Mrs. Clara Mitchell are the instructors.

Further discussion of features of the WPA recreation program will be found in Mayor Paul G. Selmi's column, page 4.

Authorize Sea Plane Base At Mills Field

Work on the new seaplane base at Mills Field will start soon and facilities of the new administration building are scheduled to be completed by April 1 under the action of the San Francisco board of supervisors Monday.

The public utilities commission asked the board to sell a $650,000 block of the airport bonds to finance work on the seaplane base.

Dredge Channel

Of that sum, $137,000 will be spent to dredge a channel to the landing field, which will house a unit of the United States Coast guard. That sum is to be matched by a federal government contribution under direction of the bureau of rivers and harbors.

The coast guard was reported by Utilities Manager Cahill to be surveying 20 acres of land San Francisco will give that agency for housing of the coast guard seaplane base.

Restaurant facilities of the administration building of the airport were leased to C. P. Keeney of San Francisco, the lease to begin with opening of the restaurant on April 1.

Land-Plane Field

Enlargement of the land-plane field was also scheduled to be effected with the funds from the 1938 Bond Fund voted by San Francisco.

Ambulance Service Is Available

That ample ambulance facilities are available but that they are not called into service was charged recently by Dr. L. A. Drees, head of Junipero Serra hospital, Colma, in a letter to the San Mateo County Board of Supervisors.

Dr. Drees' letter, referring to the Colonel Robert Roos proposal that a first aid station be established at Mills Field, follows:

"From the open discussions in the newspapers regarding ambulance service in San Mateo county one would believe that the county was without proper facilities.

"It has been called to my attention a number of times that the San Francisco emergency service has had to cross the county line into our section because of the lack of facilities. Actually the facilities are available but there has been no request made for them. It is quite evident that an ambulance cannot pick up an injured person unless it has been called.

"The Junipero Serra hospital at Colma, of which I am the owner and operator, offers 24-hour hospital, medical, X-ray and ambulance service, and is desirous of co-operating with the county in the handling of emergency cases in this section.

"I shall be pleased to have you inspect the facilities at the Junipero Serra hospital, and especially pleased to have this brought to the attention of the traffic department."

Earl Lee Kelly Joins Bank of Am.

Earl Lee Kelly, for the past six years director of the state department of public works, will become associated with the Bank of America in San Francisco as a vice president, next Monday, January 16, according to an announcement made by L. M. Giannini, president, today.

Most notable accomplishment during his administration of the department was supervision of the construction of the San Francisco-Oakland Bay Bridge and the Bay Bridge railway system, which opens for service next Tuesday. He also directed a $175,000,000 state highway building program and an extensive building program for various state departments and institutions. In addition, he was instrumental in persuading the Federal government to undertake construction of the $170,000,000 Central Valleys Water project, upon which work is now under way.

On 'Appeasement' Mission

Lord Halifax, British foreign secretary (left), and Prime Minister Neville Chamberlain, who arrived in Rome Wednesday for diplomatic conversations with Premier Benito Mussolini. Foreign observers predicted the Englishmen would continue their policy of "appeasing" European dictators, and that the current visit would result in France's partial capitulation to Italian territorial demands in the Mediterranean as the price of continued peace.

Sale of Buttons To Replace Ball

Instead of a Presidential ball or any other entertainment in San Mateo county this year to raise funds for the relief of sufferers from infantile paralysis, there will be a two-week campaign of button selling under direction of T. J. Hallinan, manager of the California Pacific Title and Trust company, as chairman, assisted by Claude J. Hirschey, Burlingame banker, and Winfield Scott of Atherton, members of the State Forest board. Scott will serve as executive secretary.

The trio were named by the state organization of the National Foundation for Infantile Paralysis to perfect a complete working organization by next Monday.

The activity will be led by a large committee made up of city and county officials, physicians, newspaper workers, school men and women, business and professional women, labor union representatives and other people of all classes and callings.

The buttons will sell at 10 cents each.

BUILD 331 MILES OF HIGHWAY HERE

Donald Renshaw, state director for the National Emergency council for California, stated early this week that the Bureau of Public Roads in cooperation with the State Highway department has under construction 331 miles of highway and 15 crossing eliminations at a total cost of $15,837,893 of which $9,000,000 is Federal aid. Mr. Renshaw added that the sum of four and one-half million dollars is available for additional programmed projects.

The approximate apportionment for 1940 for the state of California is five million dollars.

Discuss Extension Of Junipero Serra

The new board of supervisors last week gave its attention to the future extension of Junipero Serra highway and the protection of rights-of-way from Lawndale south, following a final plea from retiring Supervisor James S. James of Burlingame that efforts be launched to include the boulevard in the state highway system.

"It is going to be necessary, in the next 20 years, to have a fifth major highway down the Peninsula," James said in his farewell message. "In the next few years the Junipero Serra highway will be down to Burlingame. At that time the present district must be enlarged. This road never can be built unless it is taken into the state system. Efforts should be made in the near future to take that portion already constructed into the state system. Furthermore, the county must protect the rights-of-way because of future subdivision activity."

County Executive Fred Peterson went to Sacramento Wednesday in the interests of the El Camino Real widening project between Redwood City and Palo Alto.

"I understand that there is only enough money in the contemplated 1939-40 state highway commission budget for construction of 50 per cent of the road projects marked 'must'," Peterson declared.

"Although the El Camino Real job has been marked a 'must' job, I want to make sure that it is included in that 50 per cent which will be given allotments."

LOW-RENT HOME UNITS ASSURED FOR THOUSANDS

Rentals Will Range From $8 to $20 Per Month

More than 20,000 low-income families who formerly dwelt in slum tenements and shacks today are residing in decent, safe and sanitary living quarters in public housing projects administered by the United States Housing Authority, according to a year-end recapitulation made public this week by Nathan Straus, USHA administrator. In 1939 thousands more will migrate from the slums into decent low-rent homes.

At present, twelve large low-rent housing projects to provide about 9,000 new homes, are under construction contracts and during 1939 it is estimated that construction will be started on between 75,000 and 80,000 additional homes.

JOBS FOR MANY

This building program will provide millions of man-hours of labor for a veritable army of workers and will provide new homes for thousands of underprivileged families whose average annual income will range from $1,100 down to $450 a year. Shelter rentals in the new projects will range from $8 per month for a dwelling unit in the South to $20 per month in the larger northern industrial cities.

Mr. Straus pointed to the increase in the number of local housing authorities during the year just closed as indicative of the enthusiasm with which the National slum-clearance and rehousing program is being received from coast to coast.

A year ago, there were 46 local public housing agencies; today there are 221.

To date, 140 low-rent housing projects in 73 cities and two counties in 22 states, the District of Columbia and the Territory of Hawaii are under contract for USHA loans totaling $320,986,000. These loans represent 90 per cent of the cost of the projects. In addition, 123 communities have received earmarkings of $328,803,000, making a grand total of $649,789,000 so far committed by the USHA.

The demand of local housing authorities for USHA financial aid in clearing their slums and rehousing families of low income has been so great that all USHA loan funds have been committed and there is great unfilled demand for more funds and more projects.

To date, Administrator Straus has approved construction contracts totalling $28,964,621 for 12 projects inaugurated under the USHA program in eight cities to be built at a total estimated development cost of $45,384,201.

COLMA MAN HURT

Joseph Garabaldi, Colma, is confined to his home suffering with severe cuts and bruises sustained Thursday of last week when his truck ran over an embankment on the Sharp's Park road and overturned.

Garabaldi said his truck was forced off the road by an automobile which failed to stop.

BODIEN MAKES ANNUAL REPORT TO COUNCILMEN

National Underwriters Give Community Higher Rating

At the regular meeting of the Daly City Council, Monday evening, A. J. Bodien, superintendent of the fire alarm system, made his annual report for 1938.

He reported that during this last year more improvements have been made on the Daly City fire alarm system than in all the preceding years that it has been installed and accepted. This has resulted in a higher rating from the National Board of Fire Underwriters, giving much more satisfaction to Daly City officials and citizens, and assuring better protection for life and property.

To extend the system into south Daly City 28,000 feet of wire and 121 new cross-arms have been installed. Dangerous and annoying over-head wires at Los Olivos avenue and Mission street, Park View and Mission street, and School and Mission streets have been changed to underground lines through conduit, thus avoiding damage by electric car trollies.

In Company No. 6 fire house, a new receiving unit has been installed with the complete air-horn, compressor, and receiving tape, which is in perfect operation. Eleven new boxes have been installed in the newly annexed district, as well as one at Niantic and Citrus avenue, together with another provided by the school board at the Woodrow Wilson.

This places all of the Daly City schools on a direct line with the fire-alarm system, with the exception of the General Pershing, which is expected to be taken care of by the school board shortly.

With the construction of the new city hall, provisions have been made for a siren conduit to the roof, through the walls. An air line has also been placed in the same direction for future use. A transmitter is being placed in the Police office. All service and alarm wires that once hung from the old building will now be underground, across Irvington street.

During 1938 the system operated 51 times, with 19 fires, 17 false alarms, 12 grass fires, 6 line breaks, 1 disaster call, and 2 hydrant breaks. Since at least three daily inspections are made at the fire alarm station, as well as once after each fire call, the log book shows that 1146 inspections of batteries, lines, volts, millimeters, tapes and other equipment were made.

For the purpose of studying the fire hazards of Daly City, Superintendent Bodien has divided the city into three parts, namely, the East side—comprising Crocker Tract and the West End; the West side—Vista Grande, Mission and Hillcrest; the third, Jefferson Park and Colma. After checking over last year's report, Superintendent Bodien has learned that this year the East and West sides have reversed their calls; and that the West outnumbered the East two to one this year in the number of calls made.

Construction Work On New City Hall Employs Many

Forty wage earners were employed on the coustruction site of Daly City's new city hall during the week ending January 7. One hundred cubic yards of concrete were poured on the walls and columns between the first and second floors.

Since the start of building operations on October 26, an average weekly pay-roll of $1,000 has been maintained, all of it going to San Mateo craftsmen and thus helping local business. Julius F. Castelan, Public Works administration resident engineer, pointed out that for every man employed here by the job contractors, two and a half other breadwinners have a livelihood in private industry in mines, forest, factories, and other agencies producing and supplying the building materials used.

Indicative of the widespread effects of the national PWA recovery program, the Federal engineer said, is the fact that practically every state in the nation is supplying materials for the project here. He cited as examples: steel from Pennsylvania, electrical conduit from New York, and lumber from California and Washington.

Registration Period Deadline Is Set

The deadline for 1939 California automobile registration renewals has been set for midnight, February 4, 1939, according to the license department of the National Automobile club, following notification from the Department of Motor Vehicles, both of which organizations are now engaged in distributing the license plates. Renewal is made by presentation of the registration card, tax card notice and payment of the fees. No extentions of time will be granted and a penalty of 100 per cent of the registration fee and 50 per cent of the license fee will be assessed those who fail to apply before midnight, February 4.

Mr. and Mrs. N. Meeth of Westlake avenue entertained at dinner Sunday. Guests were Mr. and Mrs. Paul Meeth, Mountain View. The ocassion honored Paul Meeth's birthday.

SUN VALLEY SNOW SPORTS IN SWING

From Sun Valley, snow sports paradise in Idaho, comes the report that snow sports are in full swing, according to the touring director of the National Automobile club. These sports include the always popular skiing, ice skating, a ride in a sleigh drawn by Alaskan reindeer, dog-sledging, and last but not least, a swim in the outdoor warm-water pools, sheltered by glass walls.

Many thrilling events are scheduled for the months of January, February and March, including the Midwinter Sports carnival, January 21-22, Sun Valley Ski Club Championship meet February 22 and Sun Valley Open Ski meet, March 24, 25 and 26.

Good paved highways lead to Sun Valley. However, during winter months it is always necessary and essential to carry chains for use during inclement weather conditions. The most direct route is via U. S. No. 40 to Wells, Nevada, thence northerly over U. S. No. 93 to Twin Falls, Shoshone, Bellevue and Ketchum, Idaho. It is a very short distance from Ketchum to Sun Valley.

Legion Auxiliary Hold Regular Meet

Daly City Unit No. 410, American Legion Auxiliary, held its regular meeting on Wednesday evening of last week with Jerry Glanville presiding. The membership chairman, Laura Larsen, reported 71 members.

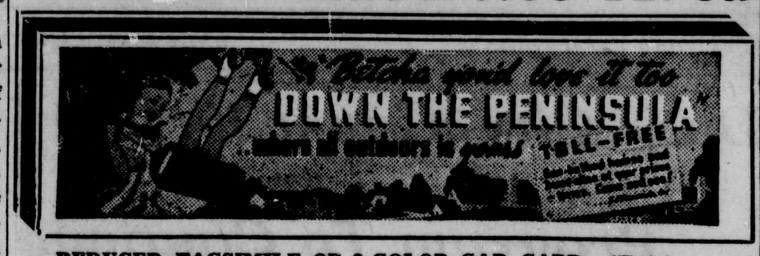

The next afternoon whist will be held on Thursday afternoon, January 19, with Marcie Trier and Ann Welch as chairmen. The whist will be held in the Legion hall, San Diego avenue.

On Thursday evening of this week the members of the San Mateo County Drill Team, which includes many unit members, installed the junior groups of Redwood City and Menlo Park units.

The regular meeting of the twenty-sixth district will be held at Burlingame tonight (Friday).

The next regular meeting of the Daly City unit will be held on Wednesday evening of next week.

"Down the Peninsula" Cards Advertise Area

REDUCED FACSIMILE OF 9-COLOR CAR CARD. "Betcha you'd love it too—DOWN THE PENINSULA," says the lovely little girl on the swing. Panel at right reads, "TOLL-FREE. Homes and home sites at your prices, terms. Come and see!—S. F. Peninsula, Inc."

More than 375 street cars, serving better residence districts of San Francisco, are now carrying this striking "double" advertising card, 42 inches long and reproduced by "silk screen process" in nine colors. It is the first of a series to be displayed by San Francisco Peninsula, Inc., throughout 1939.

Conservative estimates based on known number of street car riders (with no extra allowance for World's Fair visitors) indicate an actual circulation for these colorful Peninsula messages of 9,000,000 per month or 108,000,000 during the year.

"These figures," according to Gerth-Knollin, S. F. P. I. advertising agency, "include many 'repeats' of the same riders, but this repetition is regarded as one of the most valuable attributes of publicity, as evidenced by the sound practice of consistent advertising in the 'home town newspaper'."

The first newspaper ad in a series of 48, appeared Wednesday, January 11, in the "Chronicle," just before the inauguration Sunday of new commuter train service to the East bay. Newspaper "copy" will also display prominently the Peninsula slogan, "Toll-Free." All four metropolitan dailies will carry the campaign, according to the S. F. P. I. advertising committee.

Funeral Services For Dr. Shawk

Funeral services for Dr. William Lincoln Shawk, 78, Rockaway Beach physician, who died Saturday at the University of California hospital, were conducted Monday from the mortuary chapel of W. C. Lasswell and Company under the auspices of Crocker Masonic Lodge.

Shawk, who resided at Rockaway Beach for the past 8 years, was the good samaritan who rendered first aid in cases of auto accident on the coast road until the Villa Sanitarium and the Junipero Serra hospital were built a few years ago.

A native of Lisbon, Ohio, he was an honor student at the Cleveland Central high school in 1880. In 1883 he was given his degree. He practiced his profession for 10 years in Pennsylvania, Ohio, and Montana. He was a member of the Grove City Lodge No. 33 of Blackfoot, Idaho.

In 1898 he entered the United States civil service in the Indian school service where he served for 30 years until he was pensioned and retired.

Surviving are his widow, Mrs. Emily S. Shawk; three sons, James F. Shawk of Rockaway Beach, William W. Shawk of Berkeley, and George Shawk of San Francisco, and a grandson William N. Shawk of Portland.

PEDESTRIANS SUFFER SLIGHT INJURIES

Two pedestrians, Paul Mugler, 65, San Francisco, and George Palvos, 200 Hillcrest drive, were slightly injured Saturday evening. Mugler was struck by a car at Mission street and Knowles avenue.

Palvos walked into a car while crossing Mission street at Templeton avenue.

Start the New Year right and in good condition by driving with greater caution during the remaining days of the year, suggests the safety department of the National Automobile club. This is the time of year when accidents increase. Motorists should take extra precautions when driving or walking.

LOCAL NEWS OF DALY CITY FIELD

Grave-side services were held Sunday afternoon at Eternal Home cemetery dedicating the headstone on the grave of Mrs. Rachael Herschel. Rabbi Bernstien officiated and many relatives and friends attended. Mrs. Herschel was a former Daly City resident.

Mrs. Elizabeth Rupert of Woodrow street spent last week-end visiting her daughter, Mrs. Rose Gladney, Judson street, San Francisco.

On Monday of last week Mrs. Fern Cashion and children Lois and Le Roy, Palo Alto, visited several of their former neighbors in Daly City.

Mr. and Mrs. Felix McKeown entertained fourteen relatives and friends at dinner Sunday at their home on Los Olivos avenue.

Mr. and Mrs. Clair Wichel, Auburn, formerly of Mission circle, were recent visitors at the home of Mr. and Mrs. Peter Dormoy of Mission circle.

The Daughters of Israel will hold their regular monthly whist party at 67 Los Banos avenue Thursday evening, January 19. Mrs. Bessie Gimov will be chairman. Refreshments will be served.

Mrs. B. Winslow, 47, 175 Evergreen avenue, is confined to her home with neck injuries and bruises sustained in an accident on Hillside boulevard, east of Lawndale. Her husband suffered a lacerated ear.

Godfrey Hendrickson of Denmark and Mr. and Mrs. John Hendrickson, Haight street, San Francisco, were visitors Sunday at the home of Mr. and Mrs. Peter Dormoy of Mission circle.

Mr. and Mrs. Delmer Shults, Vista Grande avenue, are receiving the congratulations of their friends upon the birth of a daughter, Virginia Lee, born Tuesday, January 3, at St. Mary's hospital in San Francisco. The grandparents are Mr. and Mrs. Anthony Gerhard of Peoria street.

A notice of intention to wed was filed in San Francisco this week by Roland Craven, 25, 102 Bach street and Doris Snable, 18, Daly City. Another intention was filed by Michael Guaghardo, 22, and Sophie Gust, 19, both of Daly City.

Miss Margarette McKell, 21, Winchester street, was injured this week when she ran her motorcycle broadside into the car of Joe Aselo, 30, Bayshore City at Orient and Ottilla streets in Bayshore City. She was treated at the South San Francisco hospital.

Mr. and Mrs. W. J. Lehigh, Crocker avenue, accompanied by Mr. and Mrs. W. F. Dorn, attended the institution and installation of the boys' corps of Corporal Lindsay Wilson Post, V. F. W., in Redwood City Thursday evening of last week. National Commander Eugene I. Van Antwerp was installing officer.

Mrs. W. F. Dorn, Risel street, hospital chairman Old Glory Auxiliary No. 2044, accompanied by Mrs. M. Woods attended the hospital party for the patients in the Fort Miley hospital recreation room Monday of this week.

Mrs. Eliza Munson of Long Beach is visiting at the home of her son and family, Mr. and Mrs. Chester Schultz, Woodrow street.

Mr. and Mrs. Vincent Aiello of San Jose avenue are the proud parents of a daughter born January 3.

Miss Carol Schoening of Mission street is the house guest of relatives in Santa Cruz this week.

Thrift... the Pathway to Success
NATIONAL THRIFT WEEK

It's Still Smart to be Thrifty

January 17, Benjamin Franklin's Birthday, is always the signal for the start of National Thrift Week. Obviously, there could be no better time for you—and you—to put into effect your plans for intelligent thrift.

BUDGETS—Everyone knows that money goes farther if it is spent in a **planned** manner. And so, of course, you'll be interested in this list of local food stores which give you excellent quality at budget prices.

OWN YOUR OWN HOME—Put your savings into something substantial—into the thing that every man desires most for his family—a home. The realtors listed below have a number of very advantageous listings.

INSURANCE—No discussion of thrift is complete without reference to everybody's friend, insurance. Take out that policy today! It will be one of the thriftiest moves you've ever made.

CALIF OFFICE LISTS OPENINGS FOR WORKERS

Seeks Both Employers And Employees In Report

The California State Employment Service, affiliated with the United States Employment Service, reports the following current job openings and applicants. The Daly City Record is printing this news in cooperation with the general drive to return deserving people to work.

Industrial Dept.

The industrial office at 1696 Mission street offers the following job openings:

Typist clerk, between 17 and 18 years of age, who is a high school graduate and lives at home. Must have a clean cut appearance. A protestant boy who can type at least 40 words per minute is required.

Girl wanted to assist with general housework for a family of two adults and two children, 7 and 4. No cooking is required. Time off is to be arranged to suit the convenience of the selected applicant. Position in Ross Valley.

First class experience alteration hand on women's dresses is wanted. She must be of outstanding appearance and personality and be able to make sales. References from local dress shops will be required and applicant must be under 25 years of age.

Single and double needle operators who are experienced in making entire garments are wanted. Persons experienced on making men's dress shirts, uniforms and ladies' silk afternoon and evening dresses are especially in demand.

A refined, attractive and energetic beauty parlor operator between 22 and 35 years of age with at least three years' experience is wanted for a position in the Western Addition.

There are several openings available for young and experienced fountain waitresses of good appearance.

Cooks who are willing to take training for several weeks to be later referred to various SRA camps in Northern California are wanted. Bakers are also wanted for this opening. Restaurant men are preferred.

Applications for these openings should be made at 1696 Mission street.

Applicants—

The following applicants are also available:

Bookkeeper's assistant. College graduate, majored in accounting and belongs to the National Accounting society. A quiet, serious, unassuming young man. Excellent referral.

Young man, 21 years of age, high school graduate, who has had nine years apprenticeship in a printing shop, seeks employment in some sort of printing establishment. Understands all phases of printing work.

Machinist, 34 years of age, with 18 years experience in a large local shop. Operates lathe, planer, shaper and milling machine. Good experience and training. Union affiliations.

Additional information concerning these applicants may be obtained by telephoning Hemlock 3800.

Commercial Openings

The Commercial office at 154 Sansome street has the following job openings:

Typist who has had accounting experience and is able to handle very heavy figure and detail work. Female, age 23 to 28. Ability to get along with others very important. Salary $110 to $115 per month.

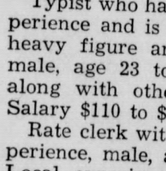

Rate clerk with public utilities experience, male, aged 30 to 40 years. Local experience preferred. Salary $150 per month.

Collector, male, age 25 to 35, with automobile. Finance experience necessary. Permanent position with reputable company. Salary $125 to $140 per month.

Technician with two certificates, bio-chemistry and bacteriology. Work will be part time and intermittent.

Applications for positions listed by the commercial office must be made at 134 Sansome street.

During the stormy season of the year, pedestrians are difficult to see, warns the safety department of the National Automobile club. The wise motorist will keep a sharp lookout for foot traffic when ever or where ever he is driving.

Mrs. Smeltzer Enters Three Collies in G. Gate Dog Show

Collie Hertzville Heartbreaker

Mrs. Nydia Smeltzer, wife of the manager of the Daly City theatre, has entered three of her prize winning collies in the Golden Gate Dog Show, to take place Saturday and Sunday, January 14 and 15, at Civic auditorium.

Mr. and Mrs. Smeltzer are now residents of Daly City and have six of their pedigreed collies with them.

ASSOCIATION PAYS HOSPITAL BILLS

Hospital bills amounting to more than $112,000 were paid for Bay area men and women in 1938 by the Insurance Association of Approved Hospitals, it was announced this week.

This figure was four times greater than the total paid out for members of the non-profit hospitalization pool in 1937, its first full year of operation, according to J. Philo Nelson, general manager.

Nelson pointed out that the payments for hospital care are in direct proportion to membership and that an even greater increase is anticipated in 1939. With gains noted elsewhere, he said, there are now 2,500,000 members of similar non-profit groups throughout the country, operating under approval of the American Hospital association, which has certified the local organization.

Thirty-nine hospitals in nine Central California counties are now participating in activities of the Insurance Association of Approved Hospitals. Included in this list are virtually all of the local major institutions, among which free choice is given to members.

BAN TRAILERS

Motorists with large trailers are warned that the trailers will not be allowed in Yosemite National park during the winter months, reports the touring department of the National Automobile club. This ruling has been made necessary both as a safety measure for all who use the roads and due to the closing of all camping areas by snow, according to Lawrence C. Merriam, park superintendent.

With the first snow fall covering the floor of Yosemite valley, all camping areas, and the sanitary facilities provided in them, will automatically be closed to access and it will not be possible to open them again until early spring. Trailers will, of course, be admitted to Yosemite just as early in the spring as weather and road conditions will permit.

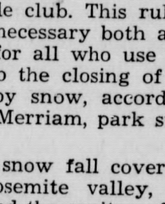

Efforts will be made by the State Highway department to keep the Tahoe-Ukiah road between Nevada City and U. S. No. 40 near Emigrant gap open throughout the winter, according to the touring department of the National Automobile club. In the event of unusually heavy storms, and the temporary closing of this road, plows will open the highway as soon as possible after the storm has ceased.

GAS FOR 2,000 YEARS

Resources of the United States are ample to supply gasoline to the American motorists for more than 2,000 years, according to the report of Hugh D. Miser of the U. S. Geological survey, reaching the touring department of the National Automobile club. Other than the billions of barrels of petroleum which now lie in known United States reserves, a still larger supply of bituminous substances is locked in shale reserves, waiting to be developed at a time when it will be economically profitable.

During the past 20 years, new discoveries of petroleum have balanced consumption.

Pottery Offers Clue To Ancient Mexican Culture

Ancient pottery recovered from mounds in Sinaloa province on the west coast of Mexico indicates that the region may once have been the home of a superior Indian culture which came originally from Central America.

This view is expressed by Dr. Isabel T. Kelly, formerly of the department of anthropology at the University of California, in the latest issue of Ibero-Americana which has been published by the University press.

First traces of this ancient civilization were uncovered in 1930. Excavations were carried on near the village of Chametla, a few miles down the Baluarte river from the town of Rosario. There the valley abounds in low mounds which mark former dwelling sites. Digging in these mounds, some of which were artificial, produced a large collection of pottery and other relics.

According to Dr. Kelly, the pottery is of excellent quality and has only a slight resemblance to that produced by other Mexican cultures. However, it does show some of the same characteristics as that produced by tribes once living in Central America. This has led Dr. Kelly to believe that before the Spanish conquest the west coast of Mexico as far north as the Culiacan valley in Sinaloa may have been the home of highly cultured tribes who had migrated north from Central America.

LOCAL HOME DAMAGED BY RUNAWAY CAR

A runaway car owned by William Straughton, 1020 Fitzgerald avenue, San Francisco, rolled down Los Olivos avenue Sunday evening and crashed into the home of R. L. Torres, 257 Los Olivos avenue.

The side of the house and the garage doors were damaged.

Sourdoughs will gather on Treasure Island on August 17, to celebrate Alaska Day at the 1939 California World's Fair.

ENTER 1,100 DOGS IN ANNUAL SHOW

The staff of the Golden Gate Kennel club estimated yesterday that close to 1,100 dogs have been entered in their annual show, a record smashing every previous dog show in the past thirty years. Dogs have been entered not only from every part of the state but from every part of the country and even some from foreign countries. The event takes place Saturday (tomorrow) and Sunday at Civic auditorium.

One of the most interesting sights at the show will be a seven Samoyed dog team and their sledge, entered by Mrs. A. E. Mason of Sacramento, the only team of its kind, it is claimed, in California.

Skidding

SKIDDING CAN BE AVOIDED! Moderate speed and extra caution on slippery roadways can help to prevent skidding.

Here are five suggestions from the National Safety Council to keep in mind:

1. Keep your brakes adjusted and equalized. Never slam them on suddenly.
2. Tires grip the road better if inflated moderately.
3. Avoid wet car rails; cross at a wide angle.
4. Keep out of ruts in mud, ice or snow.
5. If you do skid, do not instantly slam on the brakes in a panic. Take your foot off the gas, but leave the clutch engaged so that the engine will help to slow your car. Touch the brakes lightly, alternately exerting a little pressure and releasing them; and turn the steering wheel in the direction of the skid.

SAN MATEO COUNTY TRAFFIC SAFETY COMMISSION.

More than 1,000 official delegates from Latin American nations, Canada and the United States will attend the first Inter-American Travel Congress at the 1939 California World's Fair, April 14 to 21.

Dr. Gans Issues Warning to Parents

Measles are epidemic in several neighboring counties and the incidence of the disease is rapidly approaching the epidemic stage in San Mateo county, according to Dr. Charles C. Gans, director of the health department.

Measles starts like a cold; watery eyes, running nose, cough, fever. "This is the contagious period of the disease," says Dr. Gans.

"A doctor should be in attendance since measles is a severe illness and may result in serious complications," he further pointed out.

Parents are urged to help control this disease.

"If your child has what appears to be a cold," said Dr. Gans, "call a doctor; keep the child away from school, playground and other children. At home keep him away from other members of the family. Burn all discharges from the nose and mouth and boil all eating utensils."

AUTO ASSOCIATION ANNUAL MEETING SET

Reflecting the course of motoring progress in California during 1938, activities of the California State Automobile association will be reviewed at the annual meeting of the motorists organization, set for next Thursday, January 19, in San Francisco, according to an announcement by D. E. Watkins, secretary and general manager. The meeting will be held in the California Room of the Palace hotel, commencing at 3 p. m.

CHRISTMAS WINDOW HIGHLY PRAISED

One of the most popular local Christmas-tide displays has been the tableau of the three wise men in the window of Mrs. Anna Meeth's art shop, 368 West Lake avenue.

Mrs. Meeth maintains a home studio at the Westlake address and a store at 209 Highland avenue in Burlingame.

Of Course, You've Heard the Good News!

At last it will be possible to know where to go to buy a monkey wrench in Daly City..or for that matter where to buy anything from cabbages to automobiles.

THE DALY CITY DIRECTORY

will be off the press by February 18 and it will contain complete, classified information about all Daly City businesses, city departments, schools, churches, and organizations. In addition there will be interesting features about the history of Daly City and about its many residential advantages.

ALL LOCAL BUSINESS MEN

are urged to be represented in the book, which is to be placed in every Daly City home and on Treasure Island as well.

YOUR LOCAL NEWSPAPER---THE DALY CITY RECORD

is publishing the directory. For information call RAndolph 3215.

WEDDING

Miss Doris Snable Fenton, daughter of Mr. and Mrs. Clarence Fenton, Bepler street, and Roland L. Craven of San Francisco will be married Saturday evening at 8 o'clock at Glad Tidings Temple, 1451 Ellis street, San Francisco.

A reception will follow at the Assembly of God Tabernacle on Mission street, Daly City, of which Mrs. Fenton is pastor.

NOMINATE OFFICERS

The Ladies Auxiliary of Station Four, Daly City fire department, met Tuesday evening at the home of Mrs. Laura Coleman on Crocker avenue.

Nomination of officers was held. The following were nominated: Theresa Vireno, past president; Henrietta Mather, president; May Doyle, vice president; Agnes Bodien, marshall; Flora Foppiano, treasurer; Grace L. Augustien, secretary.

Plans were made for a dinner to be given at Lido cafe in San Francisco, Thursday evening, February 9.

Following the meeting refreshments were served. The table was decorated with a center piece of bright red apples set in maiden hair fern and a long red lighted candle in each apple.

The guests were Mesdames Theresa Vireno, Henrietta Mather, Eleanor Davis, Florence Sundstrom, May Doyle, Agnes Bodien, Flora Foppiano, Maynard Chesney and Grace L. Augustien.

Features and Editorials

CIVIC PROGRESS

By Mayor Selmi

RECREATION

The recreation department of our city is developing into a practical and creditable activity, of great service to all members of the community.

As an example as to what may be expected the WPA Division of Recreation in San Mateo county has inaugurated a series of courses for recreation leaders and adults who are not connected with the recreation department. These courses will be held in various cities of the county, different subjects being taught in each city. While the courses were arranged primarily for recreation leaders, the general public may avail themselves of these instructions insofar as accomodations permit.

Paul G. Selmi

Courses are in session from 9 a. m. to 1 p. m. each Monday during the month of January and are as follows:

DALY CITY: Needle work general—101 Park avenue, Mrs. Lela Campbell and Mrs. Clara Mitchell, instructors (limit 15).

SAN MATEO: Folk dancing—costuming, Civic Center auditorium, Josephine Harris and Jean Stewart, instructors (limit 25); musical expression and appreciation—vocal and instrumental, Civic Center, Room 7, Grace Douglas, instructor (limit 20); puppet making, puppet stage craft—Civic Center, Room 6, Bera Lockerby, R. Williams and R. Scott, instructors (limit 15).

SAN BRUNO: Handicraft in wood, 540 Elm street, J. Azevedo, instructor (limit 20).

SOUTH SAN FRANCISCO: Children's dramatics, verse speaking choir—recreation headquarters, city hall, Agnes Herringer instructor (limit 20).

Dr. F. P. Callsen Announces Policy

Dr. F. P. Callsen announces the reopening of his dental office, located at 6315 Mission street. Full time office hours will be maintained from 9:30 a. m. to 8 p. m. Dr. Callsen, who has been ill for some time, was unable until recently to get full time assistance. This fact limited his practice to evening hours only.

The doctor is now associated with Dr. Herbert E. Grieb, who has been in practice in San Francisco since 1919. Dr. Grieb is a graduate of a California college and has served at the U. S. Dental Corps at Fort Oglethorpe, Georgia.

Dr. Grieb has spent many years in clinical work and private practice. He was the first dentist to practice as a member of the San Francisco Board of Health.

Dr. Callsen and Dr. Grieb are adopting a business policy which will readily merge with the predicted order of socialized dentistry and are in a position to offer the people of Daly City the most modern equipment, a complete local service and the same careful study of each individual case as has characterized his office in the past fifteen years.

STORK SHOWER

Mrs. Audrey Perrazzo, Vandome avenue, was the honored guest at a stork shower given by her sister, Mrs. Gertrude Toblelman, and Mrs. Florence Perrazzo, in San Francisco, Thursday evening of last week.

Mrs. Perrazzo received many gifts.

Guests were Mesdames Dorothy Hintermann, Ida Litschauer, Ethel Fromm, Sally Sullivan, Ethel Baumeister, Evelyn Chiola, Kay Van Buren, Josephine Manion, Sally Dolphin, Ann Lyons and Misses Ruth Anderson and Joan Barr.

FUNERAL SERVICES FOR MRS. DALE

Private funeral services were conducted from a San Francisco mortuary establishment Wednesday of this week, for Mrs. Eliza J. Dale, 3818 San Jose avenue, who passed away Monday of this week.

The surviving relatives are the widower William J. Dale; two sons, Le Roy and Edgar Dale; five daughters, Anita Dale, Mrs. Lily Holden, Mrs. Gladys MacDonald, Mrs. Hazel Mycroft and Mrs. Fern Loughran.

Mrs. Pearl Jones entertained the members of the Past Chiefs Club, Pythian Sisters, at her home, Vista Grande avenue, Thursday evening of last week.

After the business meeting a Christmas party and refreshments were enjoyed by the following members: Mesdames Gertrude Jones, Elsie McIntosh, Lucille Kornfield, Annie Preston, Gretchen Stevens, Elizabeth Vincent, and Alma Cameron.

"To Safeguard and Transmit to Posterity Principles of Justice, Freedom, Democracy"

No nation can long endure that fails to care for its future citizens. We should be ever watchful that the ideals of Justice, Freedom and Democracy are not lost to posterity through temporary panic. We are one of the few nations where the life and ideas of the individual are considered sacred. Let us spare no efforts to insure such ideals for all time.

This editorial cartoon has been furnished through the courtesy of the American Legion.

Funeral Services For Mrs. Gehring

Funeral services were conducted from the mortuary chapel of W. C. Lasswell and Company at 1:30 p. m. Saturday for Mrs. Emelia Gehring, Rice street, who passed away January 5 at her home, following an illness of about one year.

The surviving relatives are the widower, Fred Gehring, and a daughter Mrs. Ida E. Harris, Fordyce, Arkansas, and two grand children, Mrs. L. F. Gilmer and Arthur R. Bailey, Cristobal, Canal Zone.

Interment was in Cypress Lawn cemetery.

MRS. GENNAI DIES HERE SUNDAY

Clementina Gennai, wife of the late Guido Gennai, passed away Sunday at her home on Woodrow street.

Mrs. Gennai was the mother of James, Ezio, Joseph, Louis, and Pio Gennai and Mrs. Margarite Rovere and the late Gino Gennai.

Funeral services were held Wednesday morning from a San Francisco mortuary. At Our Lady of Perpetual Help church a requiem high mass was said for the repose of her soul. Interment was at the Italian cemetery.

Royal Neighbors Initiate Officers

Vista Grande Camp, Royal Neighbors of America, held initiation of officers at their last meeting held Friday evening of last week at Eagles' hall. Mrs. Effie Riddley, state deputy, was the installing officer, assisted by Mrs. Gertrude Gehringer as mock ceremonial marshal.

Mrs. Johanna Hedval, outgoing oracle was presented with a beautiful bouquet of red roses with a surprise gift in the center of the bouquet.

A committee composed of Agnes Wood, Doris Burdick and Cora Ray was appointed to attend a meeting Thursday evening of this week in Oakland where plans are to be made for a Royal Neighbors' day some time this year at Treasure Island.

After installation a game of bingo and refreshments were enjoyed.

Following are the newly installed officers: Lillian Marshal, oracle; Lilly Parker, vice oracle; Johanna Hedval, past oracle; Doris Burdick, chancellor; Lucy Nelson, recorder; Clarice Scott, receiver; Agnes Wood, marshal; Margaret Rudy, assistant marshal; Grace Coolish, inner sentinel; Cinderella Weller, outer sentinel; graces are: Anna Smith, modesty; Marge Appleton, faith; Cora Ray, courage; Esther Meritt, unselfishness; Ethel Lettick, endurance and William Ekanhaus, flag bearer.

Hillcrest Circle UAOD

Hillcrest Circle No. 143, United Ancient Order of Druids, will hold their monthly whist party Monday evening, January 23, at Masonic hall.

Mrs. Clara Poket and Miss Lillian Prescott will be in charge of this affair.

TWO LOCAL RESIDENTS GET REAPPOINTMENTS

When County Clerk W. H. Augustus of Redwood City reappointed his entire staff, two well-known Daly City residents were included. Miss Florence Rancatore of Evergreen avenue, danghter of Mrs. Minnie Rancatore, and Wesley F. Strong of Bellevue avenue, son of the late Dwight Strong Sr.

The Housewives' Corner

SAVORY BEETS

Combine, in the order given:
- 1 tablespoon butter, melted
- 1 tablespoon vinegar
- 1 teaspoon prepared mustard
- 1 teaspoon sugar

Cook for several minutes and pour over:
- 3 cups sliced, cooked hot beets.

YAM AND GRAPEFRUIT CASSEROLE

- 2 large yams
- ¼ teaspoon salt
- ⅛ teaspoon nutmeg
- 2 tablespoons cream
- 1 tablespoon butter
- 1 beaten egg
- 4 grapefruit sections
- Candied grapefruit peel
- Granulated sugar

Wash yams, cut off ends and boil until tender in salted water (1 teaspoon to 1 quart water). Peel yams and mash fine with salt, nutmeg, cream and butter. Fold in the well-beaten egg and put in buttered casserole. Over the top arrange the grapefruit sections, free from seeds and white skin, in pinwheel design, radiating from center. Between each section lay a strip of candied grapefruit peel. Dot with butter and sprinkle granulated sugar over the top. This can be prepared in the morning or even the day before. Just cover and set in the refrigerator until used. Bake in a moderate oven (350 degrees F.) just long enough to heat thoroughly and melt the sugar on top. This makes 2 servings.

CORN BISQUE

- 1 cup milk
- ½ cup canned corn
- 1 tablespoon flour
- 2 tablespoons cold water
- ½ cup canned tomatoes
- 2 cloves
- 1 bay leaf
- ½ teaspoon sugar
- ½ teaspoon salt
- Dash of pepper
- 2 tablespoons butter

Combine milk and corn and scald in double boiler. Mix flour with water to a smooth paste, add to milk and corn mixture. Stir until thickened, cover and cook for 10 minutes. Cook tomatoes with cloves, bay leaf, sugar, salt and pepper for 10 minutes. The cloves and bay leaf may be omitted if you do not have them on hand. Rub through a sieve, reheat, melt butter and add slowly to milk mixture. This makes 2 servings.

Vegetables

Vegetables need not be just something little Johnny is forced to eat. Even the more prosaic vegetables can be converted into exciting, tasty dishes.

Don't just boil, drain and serve. Try a new method that will give each vegetable dish a real personality.

In the adjoining columns are a few recipes which may be of use.

TIPS FOR THE COOK

SPANISH POTATOES

Combine:
- 3 cups hot riced potatoes
- 3 teaspoons butter
- ½ cup cream
- Salt to taste

Beat vigorously for 5 minutes, then add:
- 1½ canned pimientos, pureed or chopped fine

Heat for a few moments before serving. This amount serves four.

The egg beater comes in handy when making a flour thickening for gravies and sauces. Lumpiness can be avoided completely if you use an egg beater to smooth the flour paste.

When some of the yolk gets into the whites of eggs you are preparing to beat for meringue—as it has an annoying way of doing—it can be removed with the corner of a clean cloth dipped in hot water. If you don't remove it, it may spoil your results.

When making a meat pie out of raw meat and vegetables, don't add the crust until the pie has baked for some time in the pan or casserole. First cover the pan with a plate, bake until nearly done, and then substitute the crust for the plate.

The rubber band is another familiar device which continues to have increasing value in the household. One use of which you may not have thought for these handy gadgets is in the icebox. Cantaloupe, pineapples, broccoli and other fruits and vegetables with strong flavors won't cause odors in the refrigerator if they are wrapped in waxed paper, and the easiest way to hold the paper in place is with a rubber band.

ASPARAGUS AND EGG AU GRATIN

- 2 cups milk
- 2 tablespoons flour
- 2 tablespoons butter
- ½ teaspoon salt
- ¼ cup grated cheese

Melt the butter, add the flour and blend well. Add the milk and eggs and stir until the mixture thickens. Add the salt, stir in the cheese and cook only until the cheese melts. In a buttered casserole arrange alternate layers of cooked asparagus and chopped hard-cooked eggs:
- 1 bunch asparagus, cut in 1-inch pieces
- 3 hard-cooked eggs

Pour cheese sauce over all, sprinkle with buttered crumbs, and bake in a hot oven, 400 degrees, about 20 minutes, or until mixture is heated through and the crumbs lightly browned. This amount serves six.

CARROT SOUFFLE

Make a white sauce of:
- 4 tablespoons butter
- 6 tablespoons flour
- 2 cups milk
- 1 teaspoon salt

When smooth and thick fold in:
- 2 cups cooked, riced carrots
- 1 tablespoon grated onion
- 4 egg yolks, well beaten

Mix well, then fold in:
- 4 egg whites, beaten stiff

Pour into greased ring mold or baking dish. Set this pan into a larger pan of water and bake in a moderate oven, 350 degrees, about 40 minutes, or until a knife blade put down in the center comes out clean and not milky.

FRENCH STUFFED PEPPERS

- 2 green sweet peppers
- 2/3 cup whole kernel corn
- 2 tablespoons tomato catsup
- 2 teaspoons sugar
- ½ teaspoon onion salt
- Butter
- Cracker meal
- Grated cheese

Cut off tops and remove seeds of peppers. Put peppers and top slice in cold water and bring to boil, boiling 5 minutes. Cut cooked tops of peppers into small pieces and add to corn. Add catsup, sugar and onion salt, and pack into the parboiled pepper cases. Put lump of butter on top of each and cover with the cracker meal and grated cheese. Bake in hot oven (425 degrees F.) until brown on top. This makes 2 servings.

COMPANY NO. 3 HOLD INSTALLATION

At the last regular meeting of Company No. 3, Daly City Fire department, officers and members were installed.

The newly elected officials include: commissioner, John Ferro; captain, Lawrence Kennedy; lieutenant, Sam Valentino; deputy marshall, George Ford; secretary, Edward J. Ford; treasurer, Theodore Wickersham. Firemen are Henry Lorenz, Martin Johnson, Morris Heskowitz, A. N. Lang, Harry Hutchins, Paul G. Selmi, Pete Oyhancabal, Otto Schramm and George Hopman.

How an aviator is trained to "fly blind" at night by instrument and radio beam will be explained in the exhibit in the Hall of Air Transportation at the 1939 California World's Fair.

Fall Term Closes At S. M. Jaysee

With the appointment of Dell Fishback, former University of California star hurdler, expected to be ratified by the college board, the San Mateo Junior college trackmen are starting fall training and planning a heavy schedule in the spring.

Final examinations start at the close of next week-end and the college students have been completing several activities, bringing the fall sweaters for having been on the team week saw forty students competing for the various student offices.

Miss Martha Hack, German instructor, recently married Werner Kunstorff, San Francisco.

Twenty-eight soccer players have been named to receive block letters for the past season of playing. Of the group nine will also receive white sweters for having been on the team two years.

This week and next the college basketball squad will keep busy learning plays under Coach Murius McFadden. The following week the team will play its first conference opponent, Santa Rosa.

With the winter quarter of the evening school now open, the Peninsula forum has resumed its series of Monday evening lectures on important topics of the day. The lectures start at 7:30 p. m. and are open to the public.

Journalism students spent Wednesday evening in San Francisco, holding a dinner and visiting the Chronicle newspaper plant.

Miss Mary Eleanor Peters, college Spanish instructor, has been named national president of the Spanish Teachers association. She will call a meeting of the body in San Francisco this year. In that way the visitors can see the World's Fair.

NEWS
OF THE SCHOOLS AND P. T. A. ACTIVITIES

WOODROW WILSON PTA PLAN EVENING MEET

Executive board of Woodrow Wilson P. T. A. was held Tuesday afternoon. Plans were outlined for the next regular meeting which will be held next Tuesday evening, January 17, at 7:30 p. m. in the Woodrow Wilson school. Music and an interesting program will be given and John Neuber, manager of San Francisco Boys' club, will be a speaker. Everyone, especially the fathers, is urged to attend this meeting.

The graduates' party will be held Friday afternoon, January 20, at the school. The president, Mrs. Louise Laston, will present the P. T. A. Award at the graduation exercises on Thursday evening.

CROCKER PTA HEAR DISTRICT CHAIRMAN

Regular monthly meeting of Crocker P. T. A. was held in the school auditorium at 1:30 Tuesday afternoon.

Speaker for the afternoon was Mrs. Holbrook Bonney, citizenship chairman of seventeenth district, who spoke on "Citizenship." The pupils of Mrs. Gustafson's class gave several numbers, among which was a playlet which carried out the idea of the theme for the month, "The Home, its contribution to happiness and security by developing the child's responsibility for his social acts."

Plans were made for a bundle drive to be held at Crocker school Tuesday of next week, for the benefit of the Student Aid shop of seventeenth district.

The bobby show which was scheduled for December was postponed to the March meeting day.

Plans were completed for the graduates' party to be held next week. Mrs. Seiler and mothers of graduates were appointed to serve.

The Sew and Sew's held a farewell party for Mrs. Edith Frazier at the home of Mrs. Orvilla Pauw yesterday. Mrs. Frazier is moving to Oakland next week.

Resume Night Study At Jefferson High

Evening courses have resumed at Jefferson Union high school and all those who plan to enroll are urged to do so at once.

Courses are being offered in English for foreigners, naturalization, bookkeeping, mimeographing, operation of machine calculators, typing, stenography and the art metal crafts. These opportunities are offered the community residents without charge.

During the last period the following people passed their naturalization examinations: Mr. and Mrs. Roger Isola, Mrs. Guadalupe Morgan, Eligio Borello, J. C. Nordheim, F. Sterner and Mrs. Gertrude Faust.

Friends of Jefferson Union high school will be interested to learn that Jefferson headed the list of the county high schools in the amount of money turned in on the recent health cross sale for the tuberculosis fund, according to a letter received by Principal James Ferguson from Mrs. Elsa McGinn, chairman of the Christmas seal sale for San Mateo county.

FATHERS FORUM TO MEET JAN. 17

Regular meeting of the executive board of the Fathers Forum was held Tuesday night at the home of W. R. Ross, 737 Hanover street.

The meeting was called to order by President King. Members present were H. G. King, W. R. Ross, M. J. Conroy, and A. J. Lorenzo.

The various business items under discussion during the evening will be brought up at the next regular meeting of the Fathers Forum to be held at the Daly City theatre hall, Tuesday, January 17, at 8 p. m. President King urges all regular members to attend.

Following the business session, refreshments were served.

PARTY FOR TOT

Honoring the first birthday of their small daughter Diane, Mr. and Mrs. James J. Dorrance, 427 Irvington street were hosts at a party given at their home Saturday afternoon, January 7, at 2 p. m.

Guests included: Mrs. G. Alldo, Mrs. B. Jarssen, Mrs. F. Foreman Jr., Mrs. E. Hanley, Mrs. T. Mullins, Mr. H. Moral, Mrs. G. Hopman, Mrs. F. Miller, Mrs. G. Donham and son Bobby, Mrs. D. Williams and son Donny, Mrs. D. Gehringer and son Davey, Mrs. L. Kennedy and son Larry, Barbara Foreman, and Penny White.

Black Friday!

Today is one of 1939's two "double" bad luck days, but it won't bother Prime Minister Neville Chamberlain and other habitues of London's famous No. 10 Downing street. The above black cat, who has loitered on the Downing street doorstep since last summer, is considered a good luck omen.

Northern County P. T. A. Group Convenes Today

Mrs. R. K. Strong, first vice president of the California Congress of Parents and Teachers, will be the feature speaker at the seventeenth district's "Northern County Conference," to be held today (Friday) from 10:30 a. m. to 3 p. m. in the auditorium of the Jefferson Union high school.

P. T. A. representatives and district officers and chairmen throughout the county are attending this important session. Mrs. Strong will speak this morning and conduct a question and answer discussion. Speaker of the afternoon will be Mrs. Roy Daily, state membership chairman.

Mrs. Susie Sanders, president of Jefferson Union high school P. T. A., and the executive board of the unit have planned an interesting day. Luncheon will be served in the school cafeteria. Reservations for the luncheon may be made by calling either Mrs. Sanders or Mrs. Edward Simpkins, Burlingame.

HIGH SCHOOL PTA TAKES ACTIVE PART

North End Conference for seventeenth district, California Congress of Parents and Teachers, is being held today (Friday) at the Jefferson Union high school. The conference is being conducted by Mrs. B. D. Ralston, president of the seventeenth district and Mrs. Susie Sanders, president of Jefferson Union high school unit, is general chairman. The chairmen of the district will have charge of the discussions.

The regular meeting of the high school P. T. A. will be held next Wednesday afternoon. The program has been planned with special interest for the mothers of the incoming and freshmen students.

Seventeenth Dist. PTA Board Meets

Seventeenth district, California Congress of Parents and Teachers, held its first executive board meeting of the new year Monday afternoon at the Burlingame high school. Mrs. C. D. Benninghoven presided in the absence of Mrs. B. D. Ralston, who was attending the state board meeting in Los Angeles.

James Tormey, director of the Adult Center of San Mateo junior college, spoke to the group in regard to the parent education course to be inaugurated Wednesday, January 25, at 10 a. m. in the Little Theater of the Burlingame high school. Consisting of eight weekly meetings, the course will deal with problems concerning children of elementary, high school and junior college age. Mrs. L. H. Bissett and the committee on parent education formulated plans for the course.

Mrs. A. L. Kaltenborn, parliamentarian, spoke of the revision of by-laws and Mrs. C. N. Underwood, district Founders' Day Book chairman, requested units to send in material suitable for the book. Mrs. F. J. Steele, director of public welfare, announced that the district meeting, January 20, will be a half day session, convening at 10 a. m.

Other January dates of significance to seventeenth district members include January 16, which will be the regional parent education conference to be held in San Francisco; January 26, a conference on publicity record books held from 9:30 a. m. to 11:30 a. m. under the direction of Mrs. Joseph N. Morcombe, in the Little Theater of the Burlingame high school; January 27, the Preventorium Tea, and January 31, seventeenth district press luncheon.

General Pershing PTA To Hold Whist

General Pershing P. T. A. will hold an evening whist party at the school on Hanover street, Wednesday evening, January 18. The game will start at 8 p. m. and Mrs. Mazie Boyle will act as chairman.

Mrs. Ilda Marquis, president, attended the seventeenth district board meeting Monday at Burlingame high school.

All members, particularly officers and chairmen are urged to attend the all day conference of the seventeenth district to be held today (Friday) at Jefferson Union high school. Mrs. Marquis will be among the unit presidents acting as hostesses.

Wednesday afternoon of this week the sewing group met at the home of Mrs. Amelia Siino on Irvington street. Mrs. Ann Lucas, sewing chairman, was co-hostess.

Mrs. Ann Eason, sunshine chairman, has been kept quite busy visiting families of members, due to so many cases of measles and other illnesses.

Mrs. G. Mejia, historian and Mrs. Amelia Siino, secretary, met at the home of Mrs. Marquis Friday evening of last week when plans for the history book were outlined.

The members of the unit are sorry to see Mrs. Edith Frazier moving to Oakland this week but are happy to hear she will still retain her office as financial secretary.

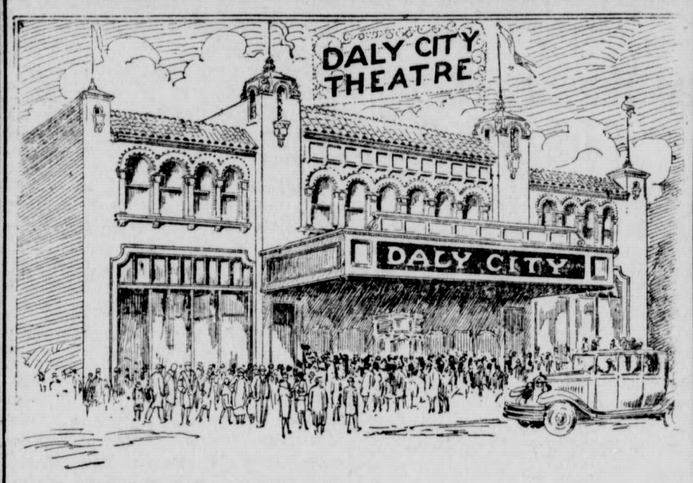

On Wednesday evening a farewell party was tendered Mrs. Frazier by the members at the home of the vice president, Mrs. Marge Calvin, Partridge lane.

Colma News

by Eleanor Price

The Ladies Home Club, Colma, will hold a whist party at their club house on Werner avenue, Tuesday afternoon, January 24, at 2 p. m. Mrs. May Davies and Mrs. Annie Flick head the committee in charge of arrangements.

Miss Darlene Bortis, daughter of Mr. and Mrs. Henry Bortis, Colma, is confined to her home with chicken pox.

T. Lazzari of Hillside boulevard, Colma, luckily escaped injury when the truck in which he was riding, skidded and turned over, doing considerable damage to the truck. Mr. Lazzari has purchased a new Chevrolet panel delivery truck to replace the damaged one.

The Colma Fire department will hold a whist party tonight (Friday), at 8:30 p. m. in the Jefferson school annex. A cash prize will be given for high score.

Joseph Garibaldi, Colma, suffered cuts to his head and right leg when the car in which he was driving was forced off the highway by a truck last Thursday.

Miss Dorothea Peterson entertained the Misses Elizabeth and Catherine Callan and Fritz Gerrans at her home on Mission street, last Sunday evening.

Mr. and Mrs. T. E. Burns, Santa Cruz, visited their daughter Mrs. H. L. Remington, Railroad avenue, Colma, Sunday, January 8.

The Colma unit of the Parent-Teachers association will hold a whist party on Tuesday afternoon, January 17, in the Jefferson school annex. High score will receive a cash prize.

An epidemic of colds, measles and chicken pox has caused the confinement of a number of local youngsters. Among those suffering are: Leslie Bock of Cavour street, measles; the one-year-old son of Mr. and Mrs. Thomas Gaggero, Cavour street, measles; Judy Grazziani, daughter of Mr. and Mrs. Leo Grazziani, chicken pox; Bernice and Carol Ann Beneddetti, colds and Raymond Stanghelini, cold.

The Pegasus club of Colma won their basketball game with the Visitacion Valley club at Bayshore, last Sunday. The score was 3 to 1.

Mr. and Mrs. Herman Nessier, Hillside boulevard, Colma, entertained at a card party last Thursday evening, having as guests Mr. and Mrs. Theo Lemacher, Mr. and Mrs. Gus Thiel, Mr. and Mrs. Fred Imsand and Walter and Eleanor Nessier. Refreshments were served at the conclusion of the party.

On New Year's day Mr. and Mrs. Gus Thiel, Colma, entertained at a holiday dinner. Guests were Mr. and Mrs. Joseph Thiel, Germany, Mr. and Mrs. Herbert Lamb, Mr. and Mrs. Fred Imsand, Mr. and Mrs. Theo Lemacher, Mr. and Mrs. T. C. Thiel and children Margaret, Evelyn and Junior, and Mr. and Mrs. Albert Benke. Open house was held during the evening and many friends called to extend season's greetings.

All motorists planning drives into the snow country should remember to take along tire chains, which are a requisite for safe arrival, according to the safety department of the National Automobile club. Drivers may be turned back from the snow areas if they attempt to venture in without the necessary tire chains.

United Air Lines Establish Record

United Air Lines completed its 25,000th coast-to-coast flight over the California-Chicago-New York airway yesterday to establish an international record for long distance day and night flight, it was announced by President W. A. Patterson. The total flights accomplished since service was inaugurated in 1927 represents approximately 66,000,000 miles of coast-to-coast flying.

A total of 812,117 passengers, 35,648,122 pounds of air mail and 7,366,149 pounds of air express were carried on the 25,000 coast-to-coast hops. The record does not include numerous New York-Chicago and other inter-city schedules flown over portions of the transcontinental line. United has flown an additional 68,000,000 miles on inter-city and border-to-border trips.

Cute Trick, But Don't Try It!

Army, navy and marine corps pilots participated in the eleventh annual All-American air maneuvers which opened last Friday at Miami. Mass flights from Mexico and Cuba, an industrial aircraft exhibit and stunt flying were features of the meet. Photograph shows a plane taking off from atop an automobile, one of the thrilling stunts of this year's program.

Baseball Game Here Sunday Afternoon

Members of the Daly City-San Mateo baseball team will cross bats with the South San Francisco club Sunday afternoon, January 15, on the Jefferson Union high school diamond. Both teams are members of the Peninsula League.

This will be South San Francisco's first appearance in Daly City; and as it beat the league leaders, Bear Photo, a doubleheader last Sunday, a good game is in prospect for local fans.

In winter driving, one car window at least should be kept open an inch or two cautions the safety department of the National Automobile club. Otherwise carbon monoxide from the exhaust may collect in the car, with painful or tragic results. This practice will also prevent drowsiness of the driver and a fogged windshield.

Tin Can Tourists Convene

This "log cabin on wheels" is one of the unique travel homes seen in the new tourist camp at Tampa, Florida, where the Tin Can Tourists of America, a trailer camping organization founded in 1919, opens its annual convention next Monday.

DEATH VALLEY GUIDE DESCRIBES RIVER

Death Valley is like the Big Rock-Candy Mountain famed in American folksong, but even better. On the Big Rock-Candy Mountain "little streams of alcohol come trickling down the rocks." But through Death Valley flows a river of free medicine. The information is noted in "Death Valley Guide," produced by the Federal Writers' project in Northern California, which will be published this month.

"Death Valley's only river, the Amargosa (Sp., bitter one). . . is deeply impregnated with bitter Glauber's and Epsom salts, as are also many springs in the region."

"Death Valley Guide" contains complete information on this national monument's trails and roads, gives its fascinating history, and a description of its wild varied scenery, desert and mountain, and its "ghost towns." It will be published this month by Houghton Mifflin.

A rocket ship, designed after the fashion of a Buck Rogers space ship, will be one of the major attractions on the Gayway during the 1939 California World's Fair. It is an illusionary planetarium.

COUNTY FIESTA TO GAIN EXTRA MONEY FOR '39

Set Return of $2.18 For Each $1 of Premium

That San Mateo County's Fiesta would gain $23,172.02 in state monies for next year's show was disclosed recently when State Director of Finance Arlin E. Stockburger announced in Sacramento that an allocation of $808,703.05 had been made to 39 district agricultural association fairs and 14 county fairs, among them the San Mateo County Fiesta.

Stockburger said that each fair received a return of $2.18 for each $1 of premium.

When contacted, Fiesta Manager Chester Lipman said that on that basis the $10,626.37 paid by the local Fiesta would bring the $23,172.02 to this county.

FROM RACING BETS

This is considerably more than had been expected, he said, since a return of only $1.90 had been anticipated.

The money alloted by the state was derived from a portion of the receipts received by the state under the State Horse Racing act. The money can be used for the payment of premiums, construction of buildings, making improvements and meeting incidental expenses in connection with the encouragement and operation of agricultural fairs.

Sponsor Joint Meet On Americanism

The monster Americanism meeting scheduled for Sunday, January 15, 11:45 a. m. to 12:45 p. m. under the joint auspices of all the Veterans' organizations of San Mateo county will feature three films produced by Warner Bros. Pictures Inc. titled "The Man Without a Country," "The Purchase of Louisiana," "Give Me Liberty."

The meeting will be held in the Redwood theatre in Redwood City through the cooperation of the Fox West Coast Theatres Inc., owners of the house.

Charles Stocker of Bellehaven Post, chairman of the Americanism committee of the American Legion, district No. 26, has extended open invitation to the general public to attend this outstanding event free of charge. Special invitations have been mailed to all schools in San Mateo county and Palo Alto to participate in the historical pageant of Americanism depicted by the above films. Prominent Veteran leaders from the various groups will be present—among them Dr. H. G. Watters, department commander of the American Legion; Mrs. T. Louis Chess, department president, American Legion auxiliary; O. K. Whittenberg, department commander, Disabled American Veterans; William Wilson, department commander, Veterans of Foreign Wars and W. F. Augustus of the United Spanish War Veterans.

The program is not only entertaining but highly educational, states Charles Stocker, chairman.

HOSPITAL REPORTS

JUNIPERO SERRA HOSPITAL

January 5—Joseph Garibaldi, Colma, treated for cuts on forehead and on right leg, caused when his car was forced off highway by a truck.

January 9—George Coen, treated for sprained ankle suffered when he fell down stairs at Jefferson Union high school.

VILLA HOSPITAL

January 7—Paul Mugler of Mount Shasta treated for abrasions about face cauesd when he was struck by a machine at Knowles and Mission streets; taken to hospital by Daly City Police.

January 9—Elden Sonsa, 2174 Twentieth street, San Francisco, was treated for sprained muscles in neck.

The gasoline filter on the fuel pump should be cleaned about every 2500 miles, according to the Emergency Road Service of the California State Automobile association.

One-Man Street Cars Are Out

End of the "one-man" street cars on Market Street Railway lines in San Francisco is expected within six weeks, it was estimated early this week after the line was granted a 25-day stay in obeying a mandate of the U. S. Supreme Court which outlaws the cars.

The street car line has asked a review of the case.

CHECKING UP

Fifteen months old Richard Watso, son of Mr. and Mrs. Watso, Irvington street, has a hard time understanding the workings of many of our modern scientific gadgets. At Christmas time his proud parents "starred" him in a home movie. One of the scenes which required no rehearsing whatsoever was a bath tub frolic.

At the preview of the picture, little Richard saw himself splashing merrily away and scurried off to the bath room. Looking bewilderingly into the empty tub he said, "Wichie gone."

Speed saves little time, makes driving a strain and causes accidents, declares the safety department of the National Automobile club, in its winter safety drive.

DRUIDS DRAW PLANS FOR ANNUAL VISIT

Hillcrest Circle No. 143, United Ancient Order of Druids, held its regular meeting Monday evening. Plans and committees are being formed for the annual official visit of the Grand Arch Druidess and her staff of Grand Officers which will be held on March 13. The degree team is drilling and a large class of candidates will be initiated.

Several members attended the official visit held in Burlingame on Tuesday evening by Peninsula Circle.

The next regular monthly whist will be held Monday evening, January 23, with Clara Poket and Lillian Prescott as chairmen.

The week-end of January 28 and 29 has been selected for the Yosemite Winter Club Invitational Figure Skating Championships, according to the touring department of the National Automobile club. Over the same week-end, novice ski races are to be held at Badger Pass, Yosemite.

Pioneers - - -

in community service.

The Golden Gate Atlas plant at Junipero and School street has been constructed in line with plans for a more beautiful Daly City.

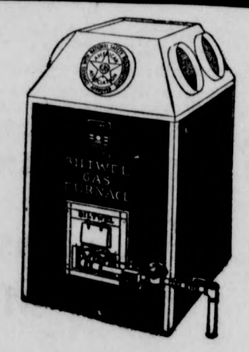

In addition, the plant is supplying unprecedentedly high grade aggregates at moderate prices, to the small as well as to the large construction companies.

Complete Line

In addition to sand, gravel, cement, plastering materials and ready-mix concrete, the company features metal lath, brick mortar, putty and other building supplies.

Voorhis Introduces "Cost of Production" Bill

The "cost of production" agricultural bill sponsored at the last two sessions of Congress by former Congressman Edward C. Eicher of Iowa, now a member of the Securities and Exchange commission, was reintroduced on the opening day of the Seventy-sixth Congress by Congressman Jerry Voorhis of California. The measure, sponsored in the Senate by former Senator McAdoo of California, failed of adoption by that body by only six votes when McAdoo offered it as a substitute for the Agricultural Act of 1938.

Voorhis, long a close personal friend of Eicher and a firm believer in the latter's approach to the farm problem, explained his action by stating that:

"Agriculture, the basic industry of the nation, deserves direct protection from the destructive influences of a speculative market. While industry is able to reduce its production to meet effective demand, the farmer by the very nature of his work, cannot posibly do so and consequently is penalized for the very efficiency of his work and the bounty of his production. It would be a somewhat different story if the consumers of the nation benefitted from this situation. But instead of that it is the speculator who benefits. Under this bill the farmers of the nation who produce crops having exportable surpluses will be directly protected against disastrous price declines by the simple direct method of having the Secretary of Agriculture determine a fair cost of production price below which farm commodities cannot be bought or sold."

SCOUTING

TROOP NO. 141

Next Saturday Troop No. 141 will go on its first scheduled hike of the new year. Hungry Hollow will as usual be the "eating place" with a possible side trip if other activities already planned allow enough time.

An unusual treasure hunt game is planned in which the Morse code will play an important part. In fact without a knowledge of the code a scout won't be able to get very far along the trail. However, for scouts of the Tenderfoot rank and those who specialize in other signal codes, a copy of the code will be allowed.

Joseph Straughan promises to cook and serve liberal helpings of the famous camp dish, "solamagoozalem."

"You don't explain 'solamagoozalem'—you just eat it!" a scout told his inquisitive mother.

CUB PACK NO. 141

Tonight (Friday) Cub Pack No. 141 has its first monthly meeting of the new year. Several boys are working on the Bobcat test and hope to join at this time.

Owing to the rapid growth of this pack in recent weeks and in an effort to make the meetings more interesting a new plan has been decided upon. It requires each cub to pass at least two tests during the month if he is to be permitted to attend the monthly pack meeting. One of the tests must be one that requires the making of some article of handicraft. Most of the cubs have already qualified, so it looks as though there will be a record breaking attendance. Best of all will be the fact that every cub has something to show to the visitors and that in itself will go a long way towards creating cub interest.

Tables will be provided on which the various dens may display their projects. A den mother will preside over each table to explain to the visitors and to register their votes regarding the various articles displayed. Prizes will be awarded to the maker of the best project on each table.

People who are interested in cubbing, and particularly the parents of the cubs, are cordially invited to attend this meeting and observe what is being done to guide the younger boys of the community along the character and citizenship trail.

DEN CHIEF SCHOOL

Scouts Kenneth Claussen and Henry Herting, chiefs of dens 5 and 3 respectively, in company with Cubmaster Joseph Straughan, attended the San Francisco Area Council School for Den Chiefs last Saturday afternoon. There were about 30 den chiefs present. Considerable useful information was given out by the staff of teachers and a number of den chiefs led stunt songs which enlivened the occasion.

TROOP NO. 101

Frank Coughlin, scoutmaster of Troop No. 101, has announced that during the month of January applications will be open for membership in a new cub pack to be organized immediately.

ORDINANCE NO. 221

AN ORDINANCE AMENDING SECTIONS 1 AND 7 OF AND ADDING A NEW SECTION TO BE NUMBERED 3A TO ORDINANCE NO. 190 ENTITLED "AN ORDINANCE CREATING A FIRE DEPARTMENT FOR THE CITY OF DALY CITY: DEFINING THE POWERS AND DUTIES OF THE SAME: FIXING COMPENSATION FOR THE MEMBERS THEREOF: AND REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES INCONSISTENT HEREWITH."

THE CITY COUNCIL OF THE CITY OF DALY CITY DO ORDAIN AS FOLLOWS:

Section 1. Section 1 of the ordinance named in the title hereof is hereby amended to read as follows:

"Section 1. A fire department for the City of Daly City is hereby created, the same to consist of not more than seventy-two (72) members, including officers, and exclusive of regular city male employees, members of the city council and officers and officials of said city. All of the members of said Fire Department shall be male citizens of the United States of America and residents of the City of Daly City for at least a period of one year prior to application for membership."

Section 2. Section 7 of the ordinance named in the title hereof is hereby amended to read as follows:

"Section 7. The sum of not more than Five Thousand ($5000.00) Dollars shall be appropriated at the first regular meeting in the month of December in each year by said City Council, and thereafter annually at the first regular meeting in December of said City Council. Said money shall be appropriated from the general fund of said city, and the money so appropriated shall be paid into a special fund to be designated "Fire Protection Fund," and used for the payment of compensation to the regular members of said Fire Department and stations composing said Fire Department as hereinafter provided. Every regular member of said Fire Department except those who are regularly paid employees of the City of Daly City, members of the city council and officers and officials of said city, shall be entitled to the following compensation, to-wit:

(a) Covering in or grass fire, One ($1.00) Dollar.

(b) Standing by for alarm outside of district, One ($1.00) Dollar.

(c) Working on actual fire (7 A. M. to 12 P. M.) One and 50/100ths ($1.50) Dollars.

(d) Working on actual fire (12 P. M. to 7 A. M.) Two and 50/100ths ($2.50) Dollars.

(e) If fire lasts over one hour actual fire fighting per hour extra One and 50/100ths ($1.50) Dollars.

(f) Drills, One and 50/100ths ($1.50) Dollars.

Provided however, that no member of the Fire Department shall have his name entered in said department in such manner as to entitle him to compensation where he fails to respond to an alarm within ten (10) minutes after such alarm is given."

Section 3. A new section to be numbered 3a is hereby added to said ordinance, the same to read as follows:

"Section 3a. Notwithstanding any other provision of this ordinance, on and after the 15th day of February, 1939, applicants for membership in the Daly City Fire Department must be between the ages of twenty-one (21) years and thirty-five (35) years."

Section 4. This ordinance shall be published once in the Daly City Record, a weekly newspaper, published and circulated in the City of Daly City, in the manner provided by law, and shall become effective thirty days thereafter.

Introduced December 27, 1938.
Passed January 9, 1939.
AYES: Councilmen Cavagnaro, Sundermann, Twesten, Fahey, Selmi.
NOES: Councilmen None.
ABSENT: Councilmen None.
(SEAL)

B. C. ROSS,
City Clerk.

January 13, 1939.

Notice Of Trustee's Sale

On Monday, the Sixth day of February, 1939, at 2:30 p. m., at the front entrance to No. 309 Ottilia Street, in the County of San Mateo, State of California, BAY VIEW AUXILIARY CORPORATION, a corporation, as trustee, will sell at public auction to the highest bidder for cash, in lawful money of the United States, the following described property situated in the County of San Mateo, State of California, described as follows, to-wit:

Portion of Lots 1, 2, and 3 in Block 13 as designated on the map entitled "MAP OF SUBDIVISION NO. 1 OF SCHWERIN ADDITION VISITACION VALLEY PROPERTY OF SCHWERIN ESTATE REALTY CO. SAN MATEO COUNTY CALIFORNIA," which map was filed in the office of the Recorder of the County of San Mateo, State of California, on October 5, 1908, in Liber 6 of Maps, at page 42, more particularly described as:

Beginning at a point on the southwesterly line of Ottilia Street, distant thereon 58 feet southeasterly from the intersection thereof with the southeasterly line of Rio Verde Street; thence southeasterly along said southwesterly line of Ottilia Street a distance of 28 feet; thence southwesterly parallel with the southeasterly line of Rio Verde Street, a distance of 84 feet to a point distant 6 feet measured at right angles northeasterly from the southwesterly line of Lot 3 in said Block 13, thence northwesterly parallel with said southwesterly line of Lot 3 and distant 6 feet northeasterly therefrom, a distance of 28 feet; thence northeasterly parallel with the southeasterly line of Rio Verde Street, a distance of 84 feet to the point of beginning.

Said sale will be made to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust, executed by EDMUND D. HAMLEN, a widower, to BAY VIEW AUXILIARY CORPORATION, a corporation, as trustee, for the benefit and security of BAY VIEW FEDERAL SAVINGS AND LOAN ASSOCIATION, a Federal Corporation, dated December 4, 1936, and recorded January 7, 1937, in the office of the Recorder of the County of San Mateo, State of California, in Volume 720 of Official Records at page 358.

Notice of breach of said obligation and election to sell said real property was recorded on the 27th day of September, 1938, in the office of the Recorder of the County of San Mateo, State of California, in Volume 795 of Official Records at page 470. This notice is given in compliance with the demand heretofore made on the BAY VIEW AUXILIARY CORPORATION, a corporation, as trustee, by BAY VIEW FEDERAL SAVINGS AND LOAN ASSOCIATION, a federal corporation, formerly BAY VIEW BUILDING AND LOAN ASSOCIATION, a California corporation.

Dated: JANUARY 6, 1939.
BAY VIEW AUXILIARY CORPORATION, a corporation,
Trustee.
By LESLIE W. HANSEN,
Secretary.
Jan 13-20-27, Feb. 3, 1939

Dramatics Class To Give Program

Keen interest is being shown in the special program that the dramatics class will present for a selected audience on Tuesday night, January 17, at 8 p. m., in the Little Theater at Jefferson Union high school.

The program will consist of a series of monologues, pantomimes, and recitations by the students of the dramatics class, under the direction of William Hoppe.

The public will be admitted although every person must obtain a pass of admittance from the instructor, Mr. Hoppe, or from any student in the class.

Students who will participate in the program include: Helen Marty and Bonnie Busch, who will present several poetry interpretations; La Joie Mon Santo and Charlotte Weait, presentation of "Winterset;" Madeleine Bos, in a scene from "New York in 1934;" Maximae Morris, in a scene from "Little Italy;" Willard Mitchell in an original adaptation, "I'm a Fool;" Helen Lozano will give her version of "Getting Ready," a pantomime; Leon Fletcher will do "Treasures in Court."

The staging and effective lighting arrangements are in charge of Sam Watso.

WATER PUMP CHECK

Checking the water pump to see if it is working can be done by speeding up the engine and gripping the upper radiator hose firmly in the hand, according to the Emergency Road Service of the California State Automobile association. If the pump is working pressure should be felt in the hose as the water is forced through it.

Veteran Firemen Install Officers

Daly City Veteran Firemen held their annual installation. last Friday evening at the fire hall on Santa Barbara avenue. Fire Chief Andrew P. Chesney acted as installing officer.

The new officers include: past president, Emil Forsel (who served as persident during 1938); president, Peter A. Valenti; first vice-president, A. J. Gaggero; second vice-president, A. N. Lang; secretary, Edward J. Ford; treasurer, Arthur L. Hilton; marshal, John F. Fields; chaplain, Arthur H. W. Richmann; chef, John Hesselein.

Mayor Paul G. Selmi took office as junior director of the board of directors which includes Gus Schenk, James Callan and Arthur H. W. Rickmann. Publicity committee includes A. N. Lang and Fred Schmidt.

Two new members were initiated: John Albonsky and Remy Sanders. Plans were outlined for the annual banquet of the organization to be held sometime in February.

Following the meeting a buffet supper was served.

J. Felch, former member of Company No. 5 and of the Veteran Firemen's association, who now lives down the Peninsula, was a visitor at Friday evening's meeting.

Notice Of Substituted Trustees' Sale

Whereas, default has been made in the payment of the indebtedness secured by, and in the performance of the covenants contained in, that certain Deed of Trust dated March 24, 1928, made, executed and delivered by WENZEL G. BARTOSCH, Junior, and MARY BARTOSCH, his wife, as Grantor and Trustor, to ELSA I. KRUGER and DOUGLAS A. NYE, as Trustee, and BURCHARD E. KRUGER as Beneficiary, which Deed of Trust was recorded in the office of the County Recorder of San Mateo County, State of California, on April 17, 1928, in Volume 351, page 121, of Official Records of San Mateo County, and

Whereas, by an instrument in writing bearing date the 13th day of January, 1932, and recorded on the 9th day of January, 1939, in the office of said County Recorder, Volume 845, Official Records, page 3, MATIE E. FORBES and THEA S. SEARING were substituted in the place of ELSA I. KRUGER and DOUGLAS A. NYE, Trustee, and

Whereas, said Deed of Trust, the note secured thereby, and indebtedness, was assigned by an instrument in writing bearing date the 13th day of January, 1932, recorded March 4, 1935, in Volume 653, page 8, of Official Records in the office of the County Recorder of the County of San Mateo, State of California, from the said BURCHARD E. KRUGER, said Beneficiary, to F. E. FORBES; and

Whereas, the lawful owner and holder of said Deed of Trust and the debt thereby secured has applied to and directed the Substituted Trustees under said Deed of Trust in writing to execute the trust by said Deed of Trust created, and to make sale pursuant thereto; and

WHEREAS, Notice of Default in the performance of the obligations of the Grantor and Trustor has been recorded as is provided for by law and said Substituted Trustees deem it best to sell said premises and estate as a whole now remaining subject to said Deed of Trust in order to fulfill the purposes thereof.

Now, therefore, notice is hereby given that on Tuesday, the 7th day of February, 1939, at the hour of 10:00 o'clock A. M. thereof, on the public sidewalk in front of 6393 Mission street, County of San Mateo, State of California, MATIE E. FORBES and THEA S. SEARING, Substituted Trustees, will, under and pursuant to the aforesaid Deed of Trust, sell at public auction to the highest bidder for cash in lawful money of the United States, the following described real property, mentioned in said Deed of Trust, situated in the County of San Mateo, State of California, and bounded and described as follows, to-wit:

LOTS NOS. 5, 6, 7, 8, 9, 42, 43, 44, 45 and 46 in Block No. 23 as shown on that certain map entitled "Rockaway Beach in San Mateo County, California, Subdivision No. 1," filed in the office of the County Recorder of San Mateo County December 23, 1908, in Book 6 of Maps at page 53 thereof.

Dated January 11th, 1939.

Mrs. P. DeSoto, Rice street, sold her home and moved to San Francisco this week.

Hellen Hull Jacobs will be one of many famous speakers under auspices of the California Writers' Club during the 1939 Golden Gate International Exposition.

RONALD COLMAN PLAYS 'VILLON' IN NEW DRAMA

Second Big Feature Will Star Miss Stanwyck

Two thousand players, topped by a dozen of the biggest star names in Hollywood, form the cast of "If I were King," the romance of Francois Villon, which Paramount will present Sunday, January 15, at the Daly City theatre. This production marks the most elaborate one ever attempted by Producer - Director Frank Lloyd, who has to his credit such sensational films as "Cavalcade," "Mutiny on the Bounty" and "Wells Fargo."

The star of the production is Ronald Colman who, as Villon, plays a role he has been angling for since almost the first day he reached Hollywood. And that was a long time ago, judged by motion picture standards! British-born Colman has been a luminary of the front rank for sixteen years, which sets some sort of Hollywood record. Probably no man in filmdom has portrayed as many romantic characters out of history and fiction as he. Among his most famous pictures are "Beau Geste," "Arrowsmith," "Clive of India," "Raffles," "Lost Horizon" and most recently, "The Prisoner of Zenda."

Second big feature attraction at the Daly City theatre, starting Sunday, will be "The Mad Miss Manton," hilarious comedy starring the lovely Barbara Stanwyck.

Princess and Pauper

In spite of the "glad rags," Ronald Colman is a pauper—a gutter rogue who suddenly becomes the ruler of France—in this romantic scene from "If I Were King," which opens Sunday, January 15, at the Daly City theatre. The princess whose heart he storms and conquers is lovely Frances Dee, teamed with him for the first time.

Plan To Establish Permanent Theatre of Dance

In order to raise funds for the establishment of a permanent "Dance Repertory Theatre of San Francisco," a group of local dance artists, including Miss Sally Rand, will present a symphonic dance concert at the Curran theatre Sunday evening, January 15, at 8 p. m.

Organized under the general direction of Michio Ito, famous dancer and teacher, the group will attempt to establish for the first time in the history of San Francisco a permanent, professional ballet organization with the intent of presenting both original dance-drama and classical ballets.

"San Francisco has long felt the need for such an organization," says the petite erstwhile bubble dancer, "and composers, choreographers, dancers and artists have combined their efforts in establishing this important new venture in the sincere hope that San Francisco may have a professional ballet company presenting truly accomplished work in the fields of the dance throughout the year."

Other artists appearing in the concert Sunday night will be: Raoul Pause and his Ballet Modern Group, Vadja del Ore, Lisa Caron, Doris Rowell, Amy Behrens, Dorothy Pappas, Helen Frank, Flower and Valerie Huff, Beatrice Lewis, Von Goodmon, Betty Abbott, Betina Noyes and Hames Lyon.

CHRISTEN TWINS

The twin daughters (Joan Frances and Judith Ann) of Mr. and Mrs. Timothy Dunne of Acton street were christened Sunday afternoon at St. Michael's church on Broad street in San Francisco by Father O'Connor.

The god parents were, for Joan Frances, Miss Ernestine Cuneo and Daniel Cuneo; for Judith Ann, Miss Eileen Mullin and Edmond Dunne.

Following the services a reception was held at their parents' home on Acton street.

After the reception Mr. and Mrs. Dunne entertained the god parents and grand parents at dinner.

JITNEY SERVICE

Hilltop Sedan Service inaugurated jitney service this week from Colma to connect with the S. F. jitneys running to Geneva avenue. Hilltop cabs run on a 15 minute schedule from 6:30 till 8:30 a. m. and charge only 10 cents fare.

Catholic Daughters Thank Committee

At the meeting held Thursday evening of last week by Court St. Mary No. 1155, Catholic Daughters of America, presided over by Grand Regent Evelyn Weckerle, the Christmas tree committee was given a rising vote of thanks for their lovely party. The sewing committee came in for a special vote of thanks as they made all the toys and aprons that were distributed by Santa Claus.

All members were urged to bring their applications for new members in as soon as possible so that a large class initiation can be held in the month of February.

Due to the fact that a whist party was to follow, the meeting was brief and the next meeting was announced for January 19.

World renowned Sung and Ming glazes from the Tenth and Fourteenth centuries, will form part of the China section of the Pacific Cultures division in the Palace of Fine Arts, at the 1939 California World's Fair.

Press Association Installs Officers

Installation of San Mateo County Press association officers, unit of the California Newspaper Publishers' association, was held Monday night at the regular dinner meeting of the association at Inghams in Burlingame, the host publisher for the meeting being George McQueen, general manager of the Burlingame Advance.

The new officers for the year are Harry Butler, general manager, San Mateo Times, president; Logan Franklin, publisher South San Francisco, vice president; George McQueen, general manager Burlingame Advance, secretary. Butler succeeds L. E. Harris, publisher of the Menlo Park Recorder, who has been president for the past year.

Many of the publishers signified their intention of attending the state convention of the California Newspaper Publishers' association at Fresno, which will open January 20 for three days. President Butler will be the official delegate.

The next meeting of the association will be held in South San Francisco, host publishers being Logan Franklin and Aileen Bramble, publishers of the South San Francisco Enterprise.

TO HOLD DANCES EVERY SATURDAY

Starting tomorrow night, Saturday, January 14, dances will be held every Saturday evening, 9 p. m. to 1 a. m. at American Legion hall, 757 San Mateo avenue, San Bruno.

The dances, sponsored by Sam Updyke, will feature snappy union music and will probably continue throughout the spring.

Still Time to Aid Tuberculosis Drive

"There is still time to take part in the vital year-round fight against tuberculosis," said Dr. Frank S. Gregory, president of the San Mateo County Tuberculosis and Health association in his final appeal for support of the 1938 sale of Christmas seals.

"The success of the San Mateo County association's 1938 drive depends on the response of those who have mislaid or forgotten the Christmas seals mailed to them by the association. Every sheet of seals sent out must be accounted for before the budgets can be made out.

"Christmas Seals, although suggested for use on holiday mail may be used at any time during the year. Such use is valuable aid in spreading knowledge of the coordinated control programs now in progress. The 1938 sale of Christmas seals has met with most gratifying response, yet every possible cent is needed by the association to finance the measures for tuberculosis prevention and control for the coming year."

Dr. Gregory reminded that payment for the seals should be made to the San Mateo County Tuberculosis and Health association, Redwood City.

KLIPPER KLUB

Members of the Klipper Klub were entertained at the home of Inez Benedetti Tuesday evening.

Those attending the meeting included: Inez Benedetti, Vivian Benedetti, Rita and Inez Benassine, Juanita Guisti and Mary Gianni.

The Klipper Klub is a sewing group which meets every other Tuesday evening.

Bank of America Reports Good Year

At the annual meeting of stockholders of Bank of America in San Francisco, President L. M. Giannini submitted a report for the year 1938 detailing policies which had resulted not only in the highest earnings in the history of the bank but also the widest service to the people of California.

"Our expected growth," Giannini reported, "has been manifested throughout the 36 separate services which comprise our facilities. Californians in steadily increasing numbers have taken advantage of the efforts of your bank to provide a full and friendly banking service throughout the state."

Increased credit granted by the bank for the upbuilding of industry, agriculture and commerce, the report stated, had been well distributed among the many kinds of loans provided. 300,000 instalment loans of small amounts to people of moderate means were made during the year, totalling $125,000,000. Current loans on real estate on the books of the bank totaled $368,000,000. Total of all loans outstanding at the end of 1938 was $673,828,000.

How to cut off your nose to improve your face will be shown in a plastic surgery display at the 1939 California World's Fair in the fabulous Hall of Science.

WE'RE CELEBRATING THE NEW YEAR

because
GAS HEAT fixed us up fine for Easy Chair Living in '39

Here is a family that gave the New Year a warm reception. They installed Gas Heat on the first rainy day of Fall. And for years to come they will feel like celebrating the warmth, the comfort, the cleanliness and cheapness of Gas Heating.

Low gas rates, improved and automatic gas heating equipment at reasonable prices, make Gas Heating the first choice in California homes today. It is just as convenient and dependable to use as the electric light you turn on by pressing a button. It is always there when you need it—in large amount or small. In sunny summer days it is out of sight and out of mind, yet ready for instant use for the first cold morning or evening. Fix your home for '39 with Gas Heating now. Enjoy Easy Chair comfort without an effort or thought about keeping your house warm. Install Gas Heating in your home now.
